SCAR Training Workshop Translating Science into Policy
20 October 2022*

Supporting and connecting
policymaking in the Member States
with scientific research

#Science4Policy

European
Commission

5 reasons why we need the SWD now

“Wicked” problems

Robust democracy

EU policy environment

Wider initiative to raise awareness for science for policy

Dynamism in the Member States

3 challenges to science for policy

Institutional environment:
connections & coordination

Individual capacities:
competences and inter-sectoral understanding

Good governance of evidence use:
Limits of science and policymaking

3 types of EU support to address challenges

Institutional
capacity &
professional
network building

Professional
competence &
inter-sectoral
professional
exchange schemes

Knowledge on
science-for-policy
ecosystems,
practices, and
capacity & limits

JRC tools and instruments

Questions for SCAR

- Do you share the analysis presented in the SWD? Are there unique challenges in the area of agricultural research?
- What kind of support should the EC offer to better connect science and policymaking in your area?

Thank you
