Bassler, BLE, DE

Overview members SCAR SAP

● SCAR SAP member ● SCAR member ● Not a member

Mission & Objectives of the SCAR-CWG-SAP

MISSION

- Provide advice on the coordination of research and innovation for the development of more sustainable animal production systems to Member States, Associated Countries and to the European Commission
- Based on a system approach, provide and work with a holistic view on livestock farming and sector

OBJECTIVES

- Facilitate and stimulate collaboration and networking
- Contribute to a shared perspective and common vision of livestock farming, also for different regions
- Support investment in research and innovation
- Being a think tank

Workshops: for a vision for agriculture and food

2022 SusAn SRIA: Message: A common vision is key to efficient cooperation

2022 1st WS (DE): Defined 8 key areas for the livestock sector

2023 2nd WS (ES): Discussed 4 farming systems (incl. farmers' views)

**2024 3rd WS (PT): Agreed on a common understanding of 4 key areas:
*GHGs, Biodiversity, Circularity, Resilience***

2025 4th WS (DK): How to approach GHGs in livestock farming systems

Thank you!
