(2015-2020)

National Renewable Energy Action Plan
(2010-2030)

National Energy Strategy

National Food Industry Strategy

National Waste Management Plan
(2014-2020)

For Who, When and Where

- Target audience: Policy-makers (Deputy State Secretary level) from different ministries
- Planned time: Mid-April (national election in Hungary on X April)
- „On-site” meeting:
 - 3 different sites of showing good bioeconomy examples:
- Large, medium-size and small-size companies of good examples of bioeconomy activities.
(with the support of the Hungarian Chamber of Agriculture)

As a result...

- Hands-on experience for policy-makers
- Inter-ministerial discussions on bioeconomy
- It will help the process of developing a **Strategic Research and Innovation Agenda** on bioeconomy, together!

MINISTRY OF
AGRICULTURE

Thank you for your kind attention!
