

SCAR

Standing Committee
on Agricultural Research

MISSION AND AIMS

Sustainable animal production is “economically viable, socially acceptable, with minimal impact on the environment”

CWG-SAP provides advice on the coordination of research and innovation for the development of more sustainable animal production systems in Europe to Member States, Associated Countries and to the European Commission.

MAIN ACHIEVEMENTS

- CWG-SAP Country Report “Survey & Analysis”.
- European Research Area on Sustainable Animal Production Systems (ERA-NET SusAn) with two calls of 30 mio € in total.
- Exchange with stakeholders and observers.
- Development and endorsement of clear objectives for the 2019-2021 Mandate.

CURRENT ACTIVITIES

- A study on past “Drivers of change in the livestock sector”.
- A reflection paper on future scenarios.
- Strategic sector policy briefs.
- Recommendations for prioritisation and support of investment in research and innovation.
- Input for SCAR Foresight and Horizon Europe.
