

AGROFORESTRY IN EUROPE

Cork Oak and Cork Competence Center,
Coruche, Portugal

25th of September 2024 (10:00 – 17:00)

Join us at the first of a series of events organised by [RefreSCAR](#) and actors of the [CAP Network](#)! This event will focus on **agroforestry**. Speakers and participants will include researchers, policymakers, farmers and [the European Agroforestry Federation \(EURAF\)](#). Inspiring examples from Portuguese Operational Groups and EU projects will be presented. And during the panel discussion, different actors will discuss on how to further improve their collaboration and better understand the benefits and obstacles of **agroforestry**. After the networking lunch you can visit a **silvopastoral agroforestry** farm ([Quinta Grande](#)).
